

**Product code:** KSKA00910B**EAN:** 5907650893967**Color:** white**Warranty [years]:** 2

Tolerance: maximum  $\pm 5\%$  for width up to 200 mm;  $\pm 3\%$  for width above 200 mm.  
 All dimensions in mm tolerance  $\pm 5\%$  for below 200 mm and  $\pm 3\%$  for above 200 mm.

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Finish                     | white                                                                           |
| Material                   | acrylic                                                                         |
| Shape                      | rectangular                                                                     |
| Width [mm]                 | 900                                                                             |
| Length [mm]                | 1000                                                                            |
| Height [mm]                | 35                                                                              |
| Installation method        | directly on the spout, on the construction material support, on the floor level |
| Drain diameter             | 90                                                                              |
| Non-slip lugs              | yes                                                                             |
| possibility to cut to size | yes                                                                             |

**Features:**

- Deante Design Studio Collection
- Structured surface with anti-slip properties
- Durable acrylic material that maintains its shine and color
- For installation at floor level, directly on the screed or supported by construction mater
- Warning! The NHC\_029D siphon fits this shower tray
- Only the best materials, the quality of which has been confirmed by laboratory tests
- SOLID PLUS technology: composite filling guaranteeing full stability, effective insulation
- Dedicated cleaning agent, safe for cleaned surfaces
